### **In order to maintain a “Top Quality” sports program ~ parent volunteering is counted on!**

If you are unable to help out on your assigned date, simply provide us with a sub or switch dates with someone else from your own team. Please arrive to your assignments at least 10 minutes before your assigned time, so that the parents working before you can get to their own games before they start.

Please address all questions to your appropriate team parent, head coach or the Director of Volunteerism.
